About Me

Passionate Computer Science student specializing in AI&ML, with a strong foundation in programming, data structures, and web development. Experienced in building real-world applications, including a Multi-Lingual Voice Assisted Skin Disease Classification System. Seeking internship opportunities to apply technical skills and contribute to real-world solutions.

Education

Velapapudi Ramakrishna Siddhartha Engineering College

Sep 2023 – Present

Bachelor of Technology in CSE(AI ML), **CGPA: 9.21**

Vijayawada, Andhra Pradesh.

Andhra Layola College

June 2021 – March 2023

MPC, **Percentage: 93.5**

Vijayawada, Andhra Pradesh.

Navodaya High School

June 2020 – March 2021

Percentage: 98

Vijayawada, Andhra Pradesh.

Skills

- **Programming:** C, Python, Java, SQL
- **Web Development:** HTML, CSS, JavaScript, React, Flask
- **Core Concepts:** Data Structures & Algorithms
- **Tools:** Git, Docker, Latex, Overleaf, Jupyter, VS Code
- **Languages:** English, Telugu, Hindi

Certifications

- **Programming Essentials in C** – Cisco Networking Academy
- **Programming Essentials in Python** – Cisco Networking Academy
- **Introduction to Cybersecurity** – Cisco Networking Academy
- **Java Programming Fundamentals** – Infosys Springboard
- **Automation Explorer Training** – UiPath Academy
- **AICTE Virtual Internship**

Projects

Multilingual Voice-Assisted Skin Disease Classification System | *Swin Transformer, PyTorch, Flask, Multilingual TTS, Python.*

- Developed AI-powered web system for skin lesion detection with voice and multilingual support.
- Utilized Swin Transformer model for image classification, achieving 90.52% validation accuracy on the HAM10000 and ISIC-2019 dataset.
- Provides real-time diagnosis in regional languages via translation and text-to-speech output. .

ShopWise - Smart Shopping Assistant | *HTML, CSS, JS, Flask, Python.*

- Enabled users to search products, compare prices, and explore cost-effective and co-Friendly alternatives.//
- Implemented features like cart management, product comparison, and user profile customization.

Achievements

- Completed 100+ DSA Problems in Leetcode platform
- Completed 100+ DSA Problems in Geeks For Geeks platform

Workshops / Hackathons Attended

AI Workshop by Be10x: Learned AI fundamentals, applications, and industry impact.

Flutter Workshop by GDG: Gained hands-on experience in Flutter and Dart for cross-platform app development.

Extracurricular Activities

- Active **Sports**, Participated in several National level Football Tournaments and Participated in JNTUK Inter college Football Tournament. Represented JNTUK in All India University Football Tournament.
- Active **NSS Volunteer**, participated in social service activities, blood donation camps, and community outreach programs.
